

Habits at Home

Habit 6: Synergize

Habit Description:

Synergize is the habit of collaborating with each other. It's coming up with something that's better than what either of us had in mind.

How to live it out?

Valuing each other's opinions and strengths to come together to create greatness.

Cooperation

Creativity

Diversity

Humility

Teamwork

Directions: Please complete the challenge below as a family. Put your name on the line and put a checkmark in the box indicating that you completed the challenge. Return this paper to school so we can celebrate your hard work!

Activity 1- Toothpick Tower Challenge:

Work together as a family to build the tallest tower using only toothpicks and playdough or clay.

Activity 2- Look and Find Challenge:

Synergize as a family to find all of the items in the picture on the back of this paper. Have fun!!!
