

**PARKWAY SCHOOL DISTRICT  
THEATRE DEPARTMENT  
STUDENT SAFETY PERMIT**

Name \_\_\_\_\_ Grade \_\_\_\_\_ Instructor \_\_\_\_\_

Safety in general and safe shop practices are emphasized repeatedly during your child's enrollment in the PCH Technical Theatre class and involvement in the PCH Theatre program, especially prior to his or her use of any power equipment. The various machines available for use are constructed and equipped to be safe. However, bodily injury can occur through carelessness, misuse of equipment, or disobeying specific instructions given by the teacher. For this reason the following safety regulations and policies will be strictly enforced.

**SAFETY PLEDGE**

1. I will follow all safety instructions I have been given both verbal and written concerning the safe use of all technology equipment.
2. I will not attempt to use any tool or machine unless I have observed the teacher's demonstration and have passed the safety test.
3. I will wear EYE protection when necessary (school provides) and dress in a manner which is appropriate for working in the shop (no open toe shoes, hair pulled back, no loose clothing).
4. I will secure all tools to myself and maintain a clean working environment while working on the catwalk.
5. I will not jeopardize the safety of my fellow students by carelessness, indifference to safety or indulging in horseplay.
6. I will report all accidents or unsafe conditions to the teacher immediately regardless of how minor they may be.

Any violation of the above safety pledge will be considered grounds for removal from the PCH Theatre Program. All violations will be reviewed in light of their severity and appropriate steps will be taken to assure conformity with the safety pledge. Parents will be contacted about problems when necessary. Failure to immediately resolve the problem will result in the student being removed from the program and class.

I have read and understand the above safety regulations and agree to abide by them. Parent (or guardian) and student are to sign this form and return to the instructor immediately.

\_\_\_\_\_  
Signature of Student

I have read the above safety regulations and policy, and have pointed out the importance of observing these regulations to my son/daughter.

I give my permission to have \_\_\_\_\_ use the power machines and hand tools in the PCH Theatre Department which are suitable for his/her ability.
