**Classroom Expectations**

Let's be honest, while you are freshman, you should know how to act in a classroom by now. My classroom expectations are nothing extraordinary. But, just so there's no confusion, here are a few things to keep in mind:

1. Come to class every day and on time. Frequent tardiness and absenteeism will negatively affect your grade.
2. Be prepared for class. Have pens, pencils, notebooks, and anything else you need to succeed.
3. Participate in class activities and discussions. Be responsible for your learning. If you participate, class will be more enjoyable than if you just sit there doing nothing.
4. Complete all assignments given in and out of class.
  - a. All assignments handed in late will receive a 10% reduction in points each day it is late.
  - b. Any assignment not turned in by the time I grade it and hand it back will receive a zero.
5. Cellphones are permitted at my discretion. If someone is addressing the class, please put the cellphones away. If you are doing individual work or small group work, you may have your phone out to assist you in research or to quietly listen to music. Do NOT have your phone out during a quiz, test, or exam. I reserve the right to ask you to put your phone away any time it becomes a disruption to your learning or the learning of others.
6. Respect yourself, your classmates, other staff members, guests, and the classroom.

**Grading**

Grades will be determined by adding the points you earn on projects, tests, quizzes, and homework and dividing them by the total number of points available.

Breakdown: 90↑ = A    89-80 = B    79-70 = C    69-60 = D    59 ↓ = F

Any percentage falling "between" grade levels will be modified according to class behavior, work completion, participation in class, and effort given throughout the semester. So, if you receive an 89.9, I will not necessarily give you an "A." Grades have to be **earned**.

## **Units of Study**

1. Industrialization, Urbanization, and Immigration
  2. Reform Movements
  3. Manifest Destiny Part II: Imperialism
  4. World War I
  5. The 1920s – All That Jazz
  6. The Great Depression and New Deal
- 

7. World War II (at home)
8. Communism and Containment – the Cold War
9. Vietnam Era
10. Civil Rights and the Reform Movement
11. The 1970s and 1980s
12. Contemporary History – 1990 until the present

Each unit will last 7-9 class periods or, approximately, 3 weeks. At the end of each unit, I will measure student understanding and progress through a test or project. Failure to study or complete the project will negatively impact your grade.
