## 8TH GRADE COURSE OFFERINGS: 2 ELECTIVE CLASS PERIODS

- **Students in all four Academies have the opportunity to select classes to fill two elective periods in their schedule.**
- **These courses may be Full Year or Semester Long options.**

# YEAR LONG COURSE = 1 ELECTIVE PERIOD

- “B” Level World Languages
  - Spanish
  - French
  - German
- Performance Music
  - Band
  - Choir
  - Orchestra

You can take 2 Year Long courses or combine a Year Long course with 2 semester courses to complete your schedule!

# 2 SEMESTERS = 1 YEAR / 1 ELECTIVE PERIOD

## OPTIONS:

- Visual Arts Focus
- Entrepreneurs, Innovators & App Creators
- Multimedia: Video Production
- Theatre Production: The Play's the Thing
- Family & Consumer Sciences Exploration (FACS)
- Engineering Challenge

You can combine semester courses to create the year long course you want! Take 2 or 4 to fill your schedule!

THE FOLLOWING COURSES ARE  
YEAR LONG COURSE  
OFFERINGS.

*MANY OF THESE OPTIONS HAVE A PREREQUISITE REQUIREMENT!*

1  
year  
course

# PERFORMANCE MUSIC

Concert Band 8

Concert Choir 8

COURSE DESCRIPTIONS:  
THE FOLLOWING COURSES ARE  
SEMESTER CLASSES

# THEATRE PRODUCTION: THE PLAY'S THE THING!

WHAT?

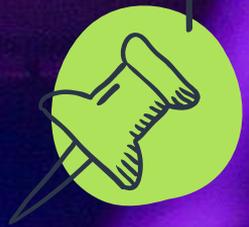

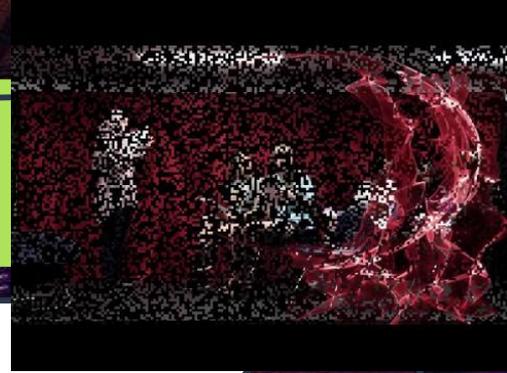

In this course, students will demonstrate their skills in acting, design, construction, and production!

WOW!

Students in this class will collaborate on an end of semester project for an invited audience. Students will have the choice to work onstage or behind the scenes in multiple varied job opportunities.

WHO?

Students that like to be active, work in teams, enjoy acting, costume or set design or want to gain confidence through theatre will love this class!

# MULTIMEDIA: VIDEO PRODUCTION

WHAT?

This course is an introduction to video production.

**Students will learn to:**

- ~Write & edit scripts for teleprompters
- ~Create & plan storyboards
- ~Act as “on air” talent
- ~Direct, edit and film scenes using various cameras.

Wow!

In this class you become the...

**ACTOR**

**DIRECTOR  
& EDITOR**

of your own video projects!

WHO?

Students that love photography, videography and want to learn about creating and editing their own video projects will LOVE this class!

# VISUAL ARTS FOCUS

WHAT?

This class uses a variety of mediums to develop and enhance students artistic skills.

Wow!

Use and learn more about...

- Clay
- Pastels
- Xacto Knives
- Acrylics
- Watercolors
- Tempera Paint

WHO?

If you like to draw, paint, sculpt and **CREATE** then this class is for you!

# FAMILY & CONSUMER SCIENCE EXPLORATION (FACS)

WHAT?

In this course, students will learn more about Human Services, Hospitality & Tourism, Child Development, and Apparel & Textile Design.

WOW!

Have you ever wondered how pizza dough rises? Or how clothes are designed and made? You'll have the opportunity to learn these things with hands on activities and project based experiences!

WHO?

Students that love to cook, sew, or design their own apparel will LOVE this class!

# ENGINEERING CHALLENGE

WHAT?

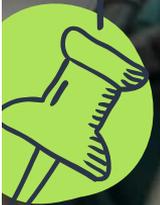

In this course, students will challenge their problem solving skills and STEM knowledge as they learn about the world of engineering, design and robotics!

Wow!

Students will have the opportunity to use 3D design software and 3D printing, as well as, construct and test robots.

WHO?

Students that love to use their hands and solve problems will love this class. This class will help you think like an engineer!

# ENTREPRENEURS, INNOVATORS & APP CREATORS

WHAT?

3 part class for real world skills:

1. Personal Finance- a focus on investment
2. Entrepreneurship- starting & operating a business.
3. Block Coding w/ App Inventor or Microbits

WOW!

Learn how to create mobile apps, prepare and run a small business, and make your own advertisement!

WHO?

Students who are self starters, would like to own a business someday or have an interest in how companies sell products will enjoy this class!

⚠ This is a required question

A copy of your responses will be emailed to the address you provided.

[Back](#) [Submit](#) [Clear form](#)

It is important  
to list both  
your email  
AND a  
Guardian  
email when  
you complete  
the Google  
Form

## TIPS FOR SELECTING CLASSES

1. Select the academy and electives that best **match your interests**. You will be in these electives and academy all year. It needs to be the **right fit for YOU!**
2. Elective changes during the school year are **reserved for academic needs**. Choose wisely!
3. Consider how your selection **will impact your time** both in school and outside of school. (homework, practice, performance)
4. **Consult with an adult at home** before submitting your registration.

Please submit your course registration through Google Forms  
no later than:

**Friday January 20th**

**8TH GRADE GOOGLE REGISTRATION FORM:**

<https://forms.gle/8XfymPUnFRU9nmnG9>

Priority selections given to those submitted by the deadline

# VIRTUAL LEARNING & MISSOURI COURSE ACCESS PROGRAM

Virtual instruction can be an effective education option for some students, there may be other courses available either through a district-provided virtual option or through the Missouri Course Access Program (MOCAP). More information about Parkway Virtual courses and MOCAP can be found on our website at [www.parkwayvirtual.com](http://www.parkwayvirtual.com).

Contact Dr. Eikel or Ms. Besand with questions.

# Looking for more info?
