Personalized Learning in PARKWAY

Our MISSION

Through **self-direction**, students in DESIGN Academy will **co-design** and **create** their learning experience. Using **inquiry, creativity, problem solving, communication** and **collaboration**, students will apply learning to **real world problems** and **projects**.

Our Community

Authentic
Leaders

Co-Designers

Problem
Solvers

DESIGN Time

Home: Community, Reflection, and Goal Setting

Are you ready to

DESIGN?

Could you contribute to a learning environment that values collaboration, community, and celebration of growth?

Are you ready to

DE©ign?

Do you have a desire to take risks
and dive deeply into a concept,
idea, or question?

Are you ready to

DESIGN?

Are you motivated by curiosity,
creativity, choice, flexibility and
personal growth?

Are you ready to

DESIGN?

Are you willing to jump into the role of
a co-creator of your learning
experiences within the curriculum?

Are you ready to

DESIGN?

Do you feel deeply about issues and problems around you in your classroom, school, and community? Are you moved to develop new solutions?
