August 2023

To the Junior Class of 2025:

Greetings, Juniors! Congratulations on being one step closer to graduation! You are at the halfway point towards earning that high school diploma. Junior year is an important year for you as you continue to solidify your grade point average, take the ACT assessment, and begin exploring your next-steps for after high school with more interest.

Here are a few tips for helping you to have a successful Junior year:

1. **Time management.** You will likely encounter more assignments and projects that have extended due-dates and require more time to complete. Plan ahead & don't wait until the last minute to try to start your assignments.
2. **Balance Social and Academic Life.** Friendships are important... but so are following-through with your academic commitments and getting adequate sleep. It's okay to say no to your friends when you need rest or need to study for a test.
3. **Communicate.** If you feel like you're falling behind in a class, talk to your teacher or counselor. Let them help you problem-solve ways to get caught-up before things get out of hand.

You will notice several new faces in the building this year. The Junior class has a new counselor, Ms. Megan Wright. Ms. Wright is an experienced school counselor, and I can't wait for you to meet her in-person! The 10th and 12th graders have new assistant principals, Mr. Gray and Ms. Cosey-Davis. In addition, North High is the new home for Special School District's Deaf & Hard of Hearing program, so please help these students and their teachers feel welcomed to our building.

Here are a few important dates to note:

- The **first day of classes** is Monday, August 21.
- **Fall Sports** begin August 7. Additional information can be found on the North High website. <https://www.parkwayschools.net/domain/2383>
- **Junior Pictures** are Friday, August 25.

Please don't hesitate to reach out if you need anything. I'll see you in a couple of weeks!

Sincerely,

Dr. Rhonda Page

Assistant Principal for the Class of 2025
