

## Library News

Calling all parents who love to help out at school! Complete this form and drop it in your child's backpack or scan the Qr code and complete the Google form. Please also complete the volunteer information listed on the Bellerive website.

We are currently planning on scheduling volunteers for the school year and we would love to have your help. **No experience necessary.**

The schedule will accommodate people who are able to help as often or as little as your schedule will allow. I would love to hear from you so I can work on the schedule. Please email me or return the bottom of this form to the office addressed to Melissa Biehl. If you have any questions feel free to email us.

Thanks,  
Melissa Biehl,  
Bellerive librarian
