

## **Agreement to Allow Withholding of Money From Final Paycheck**

I agree that Parkway School District may, upon termination of my employment, withhold from my final paycheck:

- a) Any money due Parkway School District, or
- b) Any compensation due the District for any unreturned District property including, but not limited to, uniforms, keys, identification cards, cell phones, etc.

I understand that my final paycheck may be issued to me in the form of a live check.
