

First Grade Fall Party 2018

- Game 1 - Ring Toss. Cones in the shape of a witch hat that we will toss ring over.

- Game 2 - Mummy Wrap - we will have rolls of toilet paper and we will wrap the kids like a mummy. Always a crowd favorite.

Game 3- Spider Web - we will have small plastic container with yarn intertwined throughout the side holes. At the bottom of the container we will have small, plastic spider rings. They kids will use large plastic tweezers to try to get the spider out without dropping it.

Mad Lib - We will have a fall mad lib for the kids to complete.

Photo Booth - we will have fall props and a parent from each class will be taking photos of the kids. We will post them on the 1st grade FB page. Each parent taking photos will check with the teacher to find out which children in each class are not allowed to be posted on social media.

Craft - we will use fall colored beads and pipe cleaners to make bracelets that the kids can take home.
