FINALFORMS

Dear Parents,

We are excited to announce that the Parkway Athletic/Activities Department has partnered with FinalForms, an online forms and data management service, to make it easier for you to complete athletic and activities forms and save your information from year to year.

FinalForms allows you to:

- Complete and sign athletic participation forms and upload documents (physicals, physician notes, etc.) for your student.
- Save data from season to season and year to year, meaning you will never need to enter the same information twice.
- Pre-populate information wherever possible for each of your students to save you time.
- Review your data at any time to verify it is current.
- You will only be required to sign your forms once per year and after any update.
- Complete, upload, and update required athletic forms online from the convenience of your phone, tablet, or computer.

Look for more information to prepare for the 2025-26 athletics and activities season coming soon.

Thank you for your assistance. We hope this change will make it easier to complete your forms!

Sincerely,

Corey Johnson, District Activities Director
