

# Want to start a club or LEAD time group?

Here's what to do!

## Think of an idea!

What kind of club or group does Belleve need?

Get a proposal form **from the office**

**Neatly** complete the entire form.

meet with **Mrs. DeBosch** to discuss your form

turn in your form to the **office**

find a **trusted adult** who can check over the form with you

**revise proposal & create timeline**  
turn form back into office

Get approval & implement your **proposal!**

if your idea doesn't work, continue to revise your proposal and then **begin the process again!**
